

**Brazilian architects una arquitetos designed this house for friends. The region is located at the foot of the one thousand feet high Mantiqueira Mountain, on the border of São Paulo and Minas Gerais states.**

The development is located along the banks of Piracaia Lake which belongs to the water supply system of the capital, and nearby the village of Lopo, which used to be an old route of Pilgrims from the 19th century.

Context, site, landscape, topography, setting, and history that melt away as an object is born  
The design is a response to the site's unique conditions and a reflection of the architect's philosophy
