

**The University of Economics & Business, Vienna will build a new campus, (masterplan: BUSarchitecture) with the Library and Learning Center (LLC) in the centre of the campus.**

The LLC provides a significant upgrade to the university's services with workplaces, lounges and cloakrooms, library, language laboratory, training classrooms, administration offices, study services and central supporting services, copy shop, book shop, data center, cafeteria, event area, clubroom and auditorium.

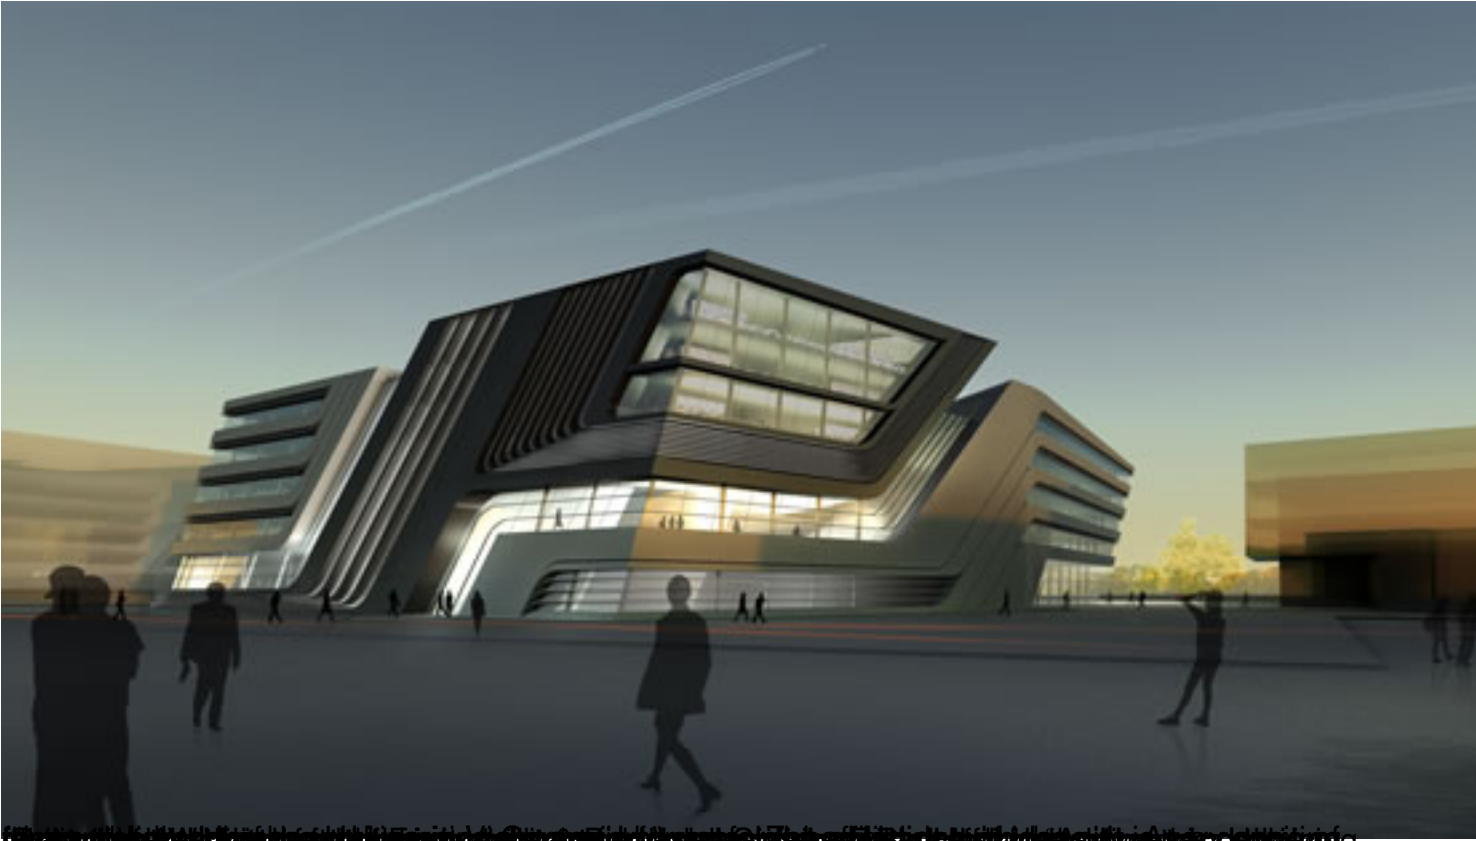

In total, the LLC is approximately 28,000m<sup>2</sup> (net) / 42.000m<sup>2</sup> (gross). The maximum dimensions of the building are 136m length, 76m width and 30m height (5 floors)

Site plan
